I hereby authorize and request any State Licensing Board or Organization and any Police Department and the Federal Bureau of Investigation to furnish the Jackson County Intermediate School District with any information in their possession, including but not limited to, any licensing information and a criminal background check, regarding me in connection with my application for clinical privileges associated with my certified nurse aide training. I am willing to allow a photocopy of this authorization to be accepted with the same authority as the original and specifically waive any additional written authorized request.

I agree that I have read and understand the information above and that I have not been convicted of any of the above violations. I am also authorizing the Jackson County Intermediate School District to perform a criminal background check on me and to release the results to the long term facility where I will be performing clinical applications on patients. I also understand that if I intentionally withhold information regarding my criminal background it will result in my termination from the CNA program.
