

School Year _____

**JACKSON AREA CAREER CENTER
REQUEST FOR EMBEDDED ACADEMIC CREDIT**

I, _____, acknowledge that I am enrolled in the _____ class at JACC and am requesting the opportunity to earn academic credit toward graduation.

I understand that to earn the academic credit requested for graduation:

1. Embedded credits may not be accepted at major universities or by NCAA. It is recommended that students complete required credits through the local high school if entering a 4 year university or playing college sports.
2. I must earn a passing grade that meets my local school requirements.
3. I must complete all required curriculum that is related to the academic credit requested (modules, lab, and daily activities).
4. I must have approval from my sending school that the credit will be accepted.
5. I must remain in the JACC class the entire school year. Transferring to another class or back to my local sending school during this school year may invalidate this contract.
6. If I am not participating or making adequate progress, I may be ineligible to earn the embedded credit, and will need to earn this credit in an alternative way (back at home school, E2020, etc).
