## **‘Careeropolize’ your life at Career Center Open House on Feb. 28**

JACKSON – The staff and students at Jackson Area Career Center invite the public to join the fun theme of “Careeropoly” at the annual Open House on Thursday, Feb. 28, from 5:00-8:00 p.m.

“Join us for this fun and informative evening,” said Mark Pogliano, Career Center principal. “We have one of the top Career and Technical Education centers right here in Jackson. I personally invite the community to come out and take a look at the high-tech, high-wage, high-demand classes that we offer high school students.”

The Career Center Open House will be alive with activity. Future students will have a chance to talk with their high school counselor about fall enrollment in Career Center classes. Parents and visitors will have a chance to talk with instructors about the benefits of enrollment. Several community business representatives will be present in the “Community Chest” area to showcase their services to area students and families.

Sticking with the career theme, workforce development professionals will be on hand to conduct mock interviews and give employment tips for students and adults wanting to build skills to land that dream job.

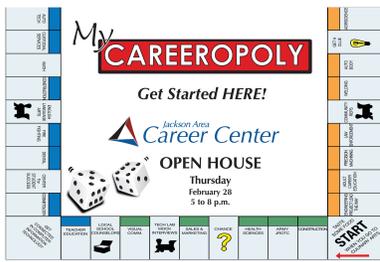

Students will learn how to get ahead on their future through Career Center classes. Instructors will talk to families about what happens in classrooms and labs as well as high school and college credit, scholarships, and certifications that are available.

“Our instructors bring real world industry experience into each classroom!” Pogliano said. “Students learn from certified teachers who have spent time in the industry they teach. It makes for a great experience for the high school student.”

The Career Center is located at 6800 Browns Lake Road, Jackson, MI 49201.

More information is available at [www.jacc-mi.net](http://www.jacc-mi.net) or 517-768-5100.
