## **Annual Career Center FFA Plant Sale to Return in May**

Jackson, Mich.— The 6th annual Jackson Area Career Center’s FFA plant sale will be open to the public on Saturday, May 3, and Saturday, May 10, from 8:00 AM to 12:00 PM. The sale is located behind the Career Center building at 6800 Browns Lake Road, and free parking will be available in all neighboring ISD parking lots.

“The annual sale is a great way for the community to share in the wonderful job students have done this year,” said Jason Gehrke, Career Center Agriscience instructor and FFA advisor. “And the sale generates support for important hands-on learning experiences for the students.”

FFA students will be available to help customers identify plants and load vehicles. This year’s selection includes an assortment of vegetables and herbs along with a wide variety of annuals, perennials, hanging baskets, and more.

Proceeds from the sale will go toward FFA Club activities such as field trips and scholarships.
