

Jackson County  
Early College

Start Your  
Journey

---

**NOW ENROLLING**

**FOR WINTER 2020 & FALL 2020!**

Eligible Students: Current 9th & 10th Graders

Students may earn an Associate's degree, a certificate, or up to 60 transferable credits — before they complete high school!

This is a little-to-no-cost option for families — your child's school district provides financial support to help cover the costs of college courses.

In addition, Jackson College offers low-cost or no-cost alternatives for textbooks.

If you are interested in taking advantage of this unique educational opportunity, speak to your child's high school counselor or contact Jean Logan, JCEC administrator, at [info@jxncec.org](mailto:info@jxncec.org) or (517) 581-2003.

More information is available on our website: [www.jxncec.org](http://www.jxncec.org)
