

Board Report - Staff, Student and Parent Professional Development Opportunities

Current statute requires that districts report the amount and type of professional development/training provided during the 2020-21 school year to teachers on how to deliver virtual content, and to parents/legal guardians of pupils and to pupils on how to access and use virtual content. The following information has been offered to teachers, parents/legal guardians and students, and is posted on the district’s website in compliance with this statute:
