

DEMOGRAPHIC ENROLLMENT

1. Enrollment is increasing due to the autistic population.
2. None of the sub groups of students has changed by more than 5% over the past 5 years.
3. We are a center base program. All of our students are identified severely cognitively impaired, severely multiply impaired and autistic.
4.
 - a) Our staffing is based on student needs and the severity of their disability.
 - b) Fiscal resource allocations are dependent on the needs of our students, the severity of their disability and the availability of funds.
 - c) Our director of special education continually assess the needs of our facilities
 - d) Parent involvement is ongoing, daily and we have monthly in-services for parents concerning a variety of topics related to disabilities.
 - e) Professional development is ongoing and based on teacher needs as well as student behavior/achievement needs.
 - f) We continue to receive press from our local paper and work on the image we present to the Community. We also have developed a website.
5. We continually meet in committees with parents and other community agencies to ensure we provide the best program to our students.
