

MOBILITY & ATTENDANCE

1. Our students generally start in our programs at age 3 and exit at age 26.
2. Our students generally start in our programs at age 3 and exit at age 26.
3. We are a center base program without graduation rates.
4. Not applicable
5. Dropout rate is not applicable. All students are developmentally disabled and educated to age 26.
6. Attendance rate is dependent on the child's disability. Some of our students are medically fragile and they do not attend when it is too hot or too cold.
7. Our medically fragile students have the highest percentage of students who missed more than 11 days of school.
